

WALKING PATH | Set and Props

Two Benches and Cube; main items of the set

Material – heavy wooden frame and plywood fixed as the surface

(light enough for two people to carry)

Colour - white cement

Painting technique – mix equal amounts of white rubber paint, cement, binder gum and water. Make a mixture thick enough to paint by using a brush.

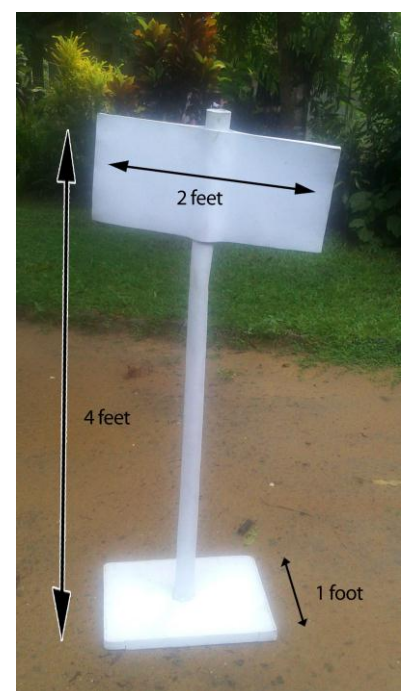

Statue and Notice board

Other two items of the set
(Light enough for one person to carry)

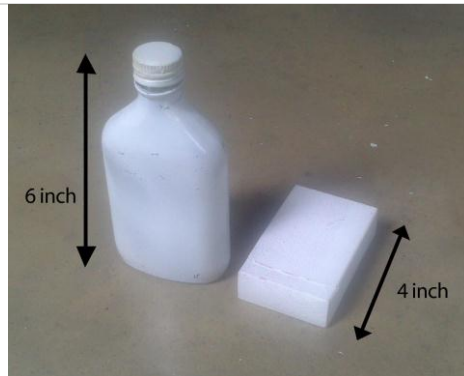

Material – fiber and light polymer material with a wooden base and light metal structure

Colour - white cement
